

**The Qualito Craft Vodka Fusion Range. The hotter it is, the cooler they get.**

Infuse long lazy summer days with the fragrances and flavours of Qualito's refreshing combinations of craft vodka and the exotic essences of tropical fruit, melons or the rich smoky notes of roasted coffee beans. Your choice of Qualito Craft Vodka Fusion is best enjoyed as a bracing shooter or more slowly after splashing over crushed ice. Try jazzing up your favourite dessert with the crisp bite of craft vodka infused with the seductive essence of Litchi, Watermelon, Cranberry, Winter Melon or Coffee. The Qualito Craft Vodka Fusion Range - The hotter it is, the cooler they get.

**Litchi FUSION**

Litchi trees line the banks of the Letaba River as it winds its lazy way through the hills and valleys around Tzaneen. Here the small brown litchis are especially prized and harvested for their clear white flesh and uniquely sweet-and-sour tang.

Every sip of Qualito Litchi Vodka Fusion will take your taste buds on an exotic safari.

**Watermelon FUSION**

Nothing says summer quite like the refreshing bouquet of our sweet home-grown Northern Bushveld watermelons. And nothing partners with crisp craft vodka quite like the essence of one of our plump watermelons ripened to perfection by a warm and gentle winter. Every sip of Qualito Watermelon Vodka Fusion is a summer holiday.

**Coffee FUSION**

The dark, rich aroma of coffee conjures images of Brazilian jungles, Guatemalan mountain sides and sundrenched African hills - not to mention evoking cozy cafés from Paris to Brussels and Casablanca to Seattle. Sipped on its own or drizzled over ice cream, Qualito Coffee Vodka Fusion will transport you to wherever your imagination wants to go.

**Qualito Craft Vodka Fusions. Passion meets perfection.**
